Sobre Nós

About Us

À Propos de Nous

Mais uma marca de prestígio, criada com o rigor e a qualidade a que os clientes da empresa Tremeceira estão habituados, sempre focada na melhor seleção de matérias-primas desde 1966. Esta insígnia foi concebida para recordar o quanto temos orgulho em *nascer* e *ser* portugueses. O nosso coração arde pela nossa bandeira, pelo que fazemos de melhor e por tudo aquilo em que o nosso amado **PORTUGAL** é referência!

É uma insígnia que, ao olhar, deve aquecer o coração, despertar carinho, amor e respeito. Respeito pelas nossas "gentes", pela nossa essência. Somos um povo pequeno em território, mas imenso em grandeza, com feitos que não cabem no nosso PORTUGAL. Por isso, queremos cruzar mares e cordilheiras, levantar o estandarte e mostrar ao mundo o que fazemos de melhor.

Another prestigious brand, created with the rigor and quality that Tremeceira's customers have come to expect, always focused on the finest selection of raw materials since 1966. This insignia was designed to remind us of how proud we are to be *born* and *to be* Portuguese. Our hearts burn for our flag, for what we do best, and for everything in which our beloved **P**
ORTUGAL excels!

It is an insignia that, when looked upon, should warm the heart, evoke care, love, and respect. Respect for our people, for our essence. We are a small nation in territory but immense in greatness, with accomplishments that transcend the borders of our PORTUGAL. That is why we aim to cross seas and mountain ranges, raise our standard high, and show the world what we do best.

Une autre marque prestigieuse, créée avec la rigueur et la qualité auxquelles les clients de Tremeceira sont habitués, toujours axée sur la meilleure sélection de matières premières depuis 1966. Cette insigne a été conçue pour nous rappeler à quel point nous sommes fiers de *naître* et *d'être* portugais. Nos cœurs brûlent pour notre drapeau, pour ce que nous faisons de mieux et pour tout ce en quoi notre cher **PORTUGAL** excelle!

C'est une insigne qui, lorsqu'on la regarde, doit réchauffer le cœur, éveiller la tendresse, l'amour et le respect. Respect pour notre peuple, pour notre essence. Nous sommes une petite nation par la taille, mais immense par notre grandeur, avec des réalisations qui dépassent les frontières de notre PORTUGAL. C'est pourquoi nous voulons traverser les mers et les chaînes de montagnes, lever haut notre
